MEMORANDUM FOR THE RECORD

Morning Meeting of 29 November 1965

25X1 of OCI gave a briefing on Iraq. R. J. Smith reviewed the CIB item this morning on ChiCom military aid to Cambodia. He noted that the latest Soviet Cosmos had an extremely high apogee.

Kent reported that the memorandum on reaction to strikes against POL targets in North Vietnam had been delivered to Vance's office Friday night. He reported that the memo estimating reactions to the use of the O was ready. The DCI requested that this memo be part of the package which DDS&T is assembling, advance copies of which will be sent to 303 Members prior to the special meeting on this subject. In this connection, noted that the 25X1 paper on the reliability of the vehicle would be ready by COB today.

Bannerman reported that the Agency had been given a fourth slot at the National War College. He noted that the prospects for reopening negotiations 25X1 to establish were bright. The U. S. Ambassador favors this. 25X1

Wheelon noted that the was not achieved as 25X1 planned. He noted that The DCI suggested that consideration be given to drafting a note to Vance expressing his concern in this matter and indicating a need to go ahead with an advanced search system. Wheelon noted that the TACKLE flight Saturday had been successful with some ChiCom fighter reaction. (See Action Item 2)

FitzGerald noted a memorandum which reported on a conversation between 25X1 Generals Carter and concerning Defense Communication Agency (DCA) consideration of taking over NSA communications support. This initiated a discussion of DCA possible ventures into assuming such a role for State and the Agency. (See Action Item 3)
